Got any needs or struggles you would like help with? Bring them to God in prayer. Through God, all things are possible.

Please pray for my grandson who is 10 months old and in need of surgery. His blood isn't flowing back out of his head and so they need to put a stint in his brain to his stomach to drain the excess blood. He is one of God's miracle children and any prayer for him is greatly appreciated. God bless, Denice Ann
