Welcome to ChooseDestiny

~A online Christian fellowship to help grow your relationship with Christ Jesus~

Choose Destiny is a home for Christian Fellowship on the web. Choose Destiny's Christian based site includes live Christian chat, a place to post your Christian stories, Christian thoughts, Christian poems, and Bible studies. Choose Destiny also provides a home for all Christians from different denominations to come together and fellowship with other Christians.

This is a Christian site and we want other Christians to feel safe while they visit Choose Destiny. Any topics that are not of Christian origin or simply go against what the Bible says will not be tolerated. Please keep this in mind as you enter into conversations with others.

Our main goal at Choose Destiny is to provide a safe and friendly environment for Christians to come together, learn, share ideas, thoughts, and grow in Christ. Remember, just because a Christian has a different denominational background then you they are still Christians and need to be treated with love and kindness.

We do not debate whether or not living a Christian life is the right or wrong thing for you to do. We will however help show you what a Christian should do and how a Christian should live a life focused on Christ. We hope you have fun and enjoy your Christian fellowship here at Choose Destiny. If you have any questions, comments, or concerns please feel free to let us know, we are always looking for ways to improve the overall experience for every Christian that gathers here to find God.
